Spritzer's acclaimed fifth CD for Raven Recordings was recorded in England where she was the first American and the first woman to record at historic Hereford Cathedral on the landmark Fr. Willis organ. It received a four star review from *Choir & Organ* and five stars from *Organists Review*, which said, "Damin Spritzer's performance is spellbinding – and her wide-ranging program notes are fascinating....on so many levels this CD impresses as a serious undertaking."

Alsatian-American composer René Louis Becker (1882-1956) was the topic of her doctoral research and she edits a continuing multi-volume critical edition of Becker's organ music for Wayne Leupold Editions which will release her monograph on the composer. Spritzer's first two discs for Raven Recordings are world premier recordings of Becker's music performed in France. The first was recorded in Pithiviers on the renovated Cavallé-Coll organ of Saint-Salomon-Saint-Gregoire. *Choir & Organ* magazine gave it five stars, writing that "Damin Spritzer serves both instrument and music well, alert to the music's lyrical mien and harmonic muscle, negotiating the III/49 machine with an easy command of drama and a real feeling for Becker's melody-led, cleanly-executed music...A second volume is eagerly awaited." The *AAM Journal* wrote, "The music comes alive under her touch!...This recording is a delight..."

Her second volume of Becker's organ music was recorded in Orléans, France at the Cathédrale Sainte-Croix d'Orléans. It received four stars from *Choir & Organ* and the following: "This second installment in Damin Spritzer's enterprising rehabilitation of the prolific but largely-unknown [Becker] comes...three years after the first volume. Happily, it's been worth the wait." And the *American Record Guide* adds: "Spritzer is to be commended for her commitment and dedication to this music. She gives spirited and vigorous performances on the magnificent 1880 Cavallé-Coll organ in Orléans, France....the recorded sound is outstanding."

The third volume of her series of the music of R. L. Becker was recorded on the historic Kimball organ of St. John's Cathedral and received a four star review from *Choir & Organ* magazine and a glowing review from the American Record Guide. Her fourth recording, "Fantasia," was a collaborative project with Dr. Donald Pinson, trombone, recorded in Texas at St. Monica Catholic church in Dallas. It has likewise been praised by reviewers. Future recording projects are planned in England, France, and the United States.

Damin Spritzer is represented in North America exclusively by Phillip Truckenbrod Concert Artists, LLC.
